ENDODONTIC MICROSURGERY COURSE

A one day course with theoretical and hands-on elements throughout the day for endo-keen practitioners.

Speaker: Federico Foschi and Massimo Giovarruscio

Venue: Dentsply Sirona Academy, London KT13 ONY

Date: Saturday 4th May 2019

The course aims to cover the theory and biology of endodontic surgery and its application with multimedia morning lectures. In the afternoon a practical clinical skill session will comprehend all the surgical steps in a simulated environment. With a small number of attendees, with a favourable tutor to delegate ratio, will allow a productive hands-on on realistic surgical simulators. All the required equipment including surgical operative microscope will be provided.
