ACHIEVING PREDICTABLE WHITENING

A hands-on course covering everything you need to know about tooth whitening.

Speaker: Ahmad Nounu

Venue: Queen Square Dental Clinic, Bristol

Date: Saturday 23rd March 2019

Whitening is the least invasive form of cosmetic dental treatment yet it is still one of the most misunderstood treatment modalities we have available. By following some simple guidelines wouldn't it be great to make it predictable every single time?

Dentist Price: £195

Dental Care Professional Price: £75

MEET THE SPEAKER

Dr Ahmad Nounu BDS, MJDF is the practice principal of Black Swan Dental Spa. His particular interests in dentistry embrace Whitening, Implants, Orthodontics and Cosmetics.

The winner of numerous awards including the Dentistry Awards Best Young Dentist 2015 he has also featured amongst Private Dentistry Magazine's Elite top 20 dentists nationally. His dedication to the constant improvement of his skills have seen him complete the prestigious Advanced Dental Seminars one-year course with Dr Chris Orr in London in addition to learning more advanced treatment for modern conservative techniques through numerous other courses throughout the UK and abroad in Lisbon and the USA.

A sought after lecturer on the topics of Whitening, Minimally invasive cosmetic dentistry and Soft tissue laser dentistry has seen him presenting in the UK, Europe and the Middle East. He has contributed many articles to both dental publications and the national press, where he has featured in both the Times and the Sunday Mirror.

He has served on the committee for the exclusive British Academy of Cosmetic Dentistry and is founding chairman of the Young Dentist Group of the South Western Branch of the British Dental Association.
